The 7th Research & Business Conference

will be held on **Tuesday, March 27, 2012**

at the **Congress centre in Reims (France)**

2012 will emphasize the link between the Research & Business Conference and **Innovact**, the European Forum for innovative startups.

innovact
THE EUROPEAN FORUM FOR INNOVATIVE START-UPS

Since 7 years, the Research & Business Conference, **created by the Regional Council of Champagne-Ardenne,** has become a major event in **Champagne-Ardenne.** It is organized with the support of CARINNA, the Champagne-Ardenne Research and Innovation Agency.

Whether you're an entrepreneur, industry leader, economic development representative, researcher or academic, student, elected or institutional, the Research & Business Conference is the place to gather and discuss the research and innovation challenges and develop your professional network.

- Conferences and workshops,
- Awards ceremony for Excellent research post-graduate and scientific vulgarisation
- Networking events and many other opportunities to develop your business and partnerships
